Instructions for Form 4530-150
Operation Permit Application for Bulk Gasoline Plants

NOTE: Use of this form is required by the Department for any air pollution control permit application filed pursuant to s. 144.392 or 144.3925, Wis. Stats. Completion of this form is mandatory. The Department will not consider or act upon your application unless you complete and submit this application form. It is not the Department's intention to use any personally identifiable information from this form for any other purpose.

One form should be included with each application.

- Item 1 Provide full business name and address of corporation, company, association, society, firm, partnership, individual or political subdivision of the state submitting the application.
- Item 2 Street address where the air pollution sources are or will be located.
- Item 3 If wholly or partly owned by another entity, identify that entity.
- Item 4 The responsible official is a person legally responsible for the operation of the permitted air pollution sources. For a corporation, this person must be the president, vice-president, secretary or treasurer, or other person with a similar level of responsibility in the company. Subsection NR 400.02(80e), Wis. Adm. Code defines "responsible official."
- Prior to filing the application, if you want the Department to approve your choice of responsible official you may send a letter to the Department describing that person's authority in the company and requesting the Department's approval.
- Item 5 Individual to contact for additional information concerning the air pollution sources during the permitting process.
- Item 6 Self Explanatory. Bulk gasoline plant means a gasoline storage and distribution facility which receives gasoline from bulk terminals, stores it in stationary storage tanks, and subsequently distributes it to gasoline dispensing facilities.
- Item 6a Self Explanatory
- Item 7 Self Explanatory
